Doctor on call	This feature will connect you with a doctor on call through ACKO app who can help you by providing medical consultations

Member-level waiting periods

Initial waiting period - No policy benefits are covered during the initial waiting period. The insured members can get treated or submit a claim after this waiting period of 30 days is over. As an exception, hospitalisation/treatment for injuries caused due to an accident is covered from day 1.

Specific illness waiting period - Treatment for some medical conditions are not covered during the specific illness waiting period. The insured members can get treated or submit a claim for those medical conditions after this waiting period of 2 years is over. See list of specific illnesses on page 6.

Pre-existing disease (PED) waiting period - Treatments for health conditions that are declared during health evaluation will not be covered during the pre-existing diseases (PED) waiting period. The insured members can get treated or submit a claim for their previously declared health conditions only after this waiting period of 3 years is over. Please note that treatments for health conditions that are not declared during health evaluation will not be covered.
